05 IMAGERY

Iconography

Every category has a sound. Eight solid icons help people find their way across the site, the shelf and the box.

RULE	STANDARD
Style	Solid pictograms with the radiating sound-wave motif
Colour	One colour: Pyle Red on light grounds, White or Cream on Maroon
Labels	Always paired with the category name in Manrope SemiBold
Size	Min. 24 px on screen, 6 mm in print
Use	Navigation, category pages, pack category flags, retail signage
Files	Use the supplied SVGs only. Never redraw, outline or distort
