Digital applications of this system meet WCAG 2.1 Level AA as a minimum standard.

BEYOND COLOR

NEVER COLOR ALONE
Errors, active inputs and status states carry a second cue: an icon or label.

16 PX BODY MINIMUM
On-screen body copy never smaller than 16 px (12 pt).

44 PX TAP TARGET
Interactive elements and buttons at least 44 × 44 px for touch.

ALT-TEXT FOR THE MARK

```
alt="Pyle USA — Audio Equipment"
```

Decorative marks and repeating patterns use alt="" to prevent duplicate screen-reader announcements.
